Unless Noted, all music is from the Shabbat Liturgy. Parts were live from a Shabbat Music service featuring the Tourmaline String Quartet. Thank-you to the Arnow Family for their generosity in providing for the recording and production of this CD in honor of their son Eli's Bar Mitzvah. Thank-you to the TSI Choir and musicians for their selfless devotion to our music. Words are not enough to express the support and genuine love of Jewish music, liturgy, and creativity of Rabbi Jon Haddon who makes all this possible through his *mentchlichkeit* and beautiful neshama/soul and spirit. Thank-you to the Officers, Board and Congregation of TSI who support our music and attend our services, pray, sing and help create a wonderful, spiritual and loving home for all of us. Special appreciation to our temple administrator Suanne McManus and Joanne Wolff for all their hard work. Personal gratitude to the memories of my beloved parents of blessed memory, Cantor Theodore and Rita Katchko who enable me to express myself musically with all my heart. To my sons, David, Aaron, Ezra and Joey, and to Stephen for the love that keeps life joyful and worthwhile. May we continue to sing the sacred songs that bring the liturgy into our hearts, minds and souls.
