# CANTOR MOSHE TAUBÉ

## sings HALLEL

with the augmented Beth Shalom choir  
under the direction of MAX TARSHIS  
Organist: Howard Cohen

Segue Records takes pride in presenting one of the most outstanding cantors of our time—Moshe Taubé

Since his arrival in the U.S. sixteen years ago, Cantor Taubé has served 2 famous congregations: Shaare Zedek in New York City and at present, Beth Shalom in Pittsburgh, Pa.

His voice and artistry are world renowned today, and his concerts in the U.S., Canada, Mexico, Europe, South Africa and Israel, brought him laurels of glory and admiration. His previous two albums are cherished in countless homes and played over radio stations in many parts of the world.

A graduate of Julliard, Cantor Taubé served for 5 years on the faculty of the Cantorial Institute of the Jewish Theological Seminary, teaching young cantors the art of Hazzanuth. Presently, he is instructor of voice and Opera Workshop at the Duquesne University of Pittsburgh.

This recording consists of the Hallel Service, recited on Festivals, Rosh Chodesh, Chanukka and Israel's Independence Day.

The Hallel is composed of Psalms—divinely inspired poetry, with interchanging moods, ranging from mystical introspection to joyous outpouring, from supplication to exalted songs of praise and glory.

Only cantorial music at its best, which we feature in this album, can faithfully and genuinely bring out the spiritual richness inherent in the Hallel.
